Merci Bathing Soap

Why Merci?

It effectively soothes your skin, leaving it supple. A complete family soap that is completely safe for your as well as your child's skin. Soap works as a cleansing agent & is usually made from vegetable oil. The soaps we deal in are specifically manufactured with lesser chemical composition and more of natural extracts, which makes them smooth and ideal for the skin. Our soap products enhance the quality of the skin while keeping your personal hygiene in check; they are available in various fragrances. These are soft and fresh in smell and have rejuvenating effects.

Haldi & Chandan

Merci beauty soaps are superior than any other soap in the marketplace, we use:

- Pure Natural Organic Herbs and botanical extracts which makes skin feel Radiant Fresh Smooth
 - Nourished
