

Last school

By Mohammad Nurujjaman

**Seventeen years passed after leaving school.
I came to the last school there for nine-six years.
It is not true to say that it is not true at all for nine years.
After completing the study, I leave the market all around.
No one took a chance in the cadre, no one took it.
Came to Kuri in the twenties and spent years there.
I am Ashthatha's Parthirish Dhupkhola.
All of the acquaintances today know each other.
How many friends are easy to know at the same time.
That's why life is at this time.**

**Came to Kuri in the twenties and spent years there.
Halam together after twenty eight thirty eight Dhupkhola.
One by one, all the acquaintances became familiar today.
We all know how many friends we were together.
So why not say that today is the time of life.**

**Tutul dropped out two years after entering the last school.
Then I got Monir Chishti, Junaid after a few days.
Mamun Sagarika was around exactly five or six years.
Eden Lake Circus How many trips are you friends Tapur Tor.
I only remember those days in the pages of memories.**

**In the song of Miles, I lost my glasses in the field.
Gopali's friend spent Bashundhara Mall.
Helvesia's house is full of laughter.
I ate how much kadai goste mastermind par.
Eram still remembers the forbidden water.
Will never go again no matter how many times.
But I ate one day when my friend was at your table.
This is tomorrow, for the first time, after the first year.
We carry today and tomorrow on our shoulders.
After that, when I reached my forties, the desire grew.
I got right Pachak Sadek Rashed Charbhaga.
I live in Suraiyya Chaogaon.
Also, I found Tik Tok Mary Japanese writer Swati.
How cheerfully you made the border, how colorful.
Get all the news on the boy-girl app.
How many more do you see in the cinema of a friend-thinking model?
Some sing songs of Nile Darya and some in Rasht administration.
What is Raju's approach to leadership?
Rashed from the United States actually arranged Mary only.
With joy, I see that Biswajit is not there with Kalam.
Contribute your knowledge to the work of this industry.
I was an exception, as the bosses know.
I borrowed the grammar books from Neelkhet.**

I answer and then I ask whatever the question is.

I will reply in the book until I have done it properly.

Exam friend on the same bench keeps an eye on that page.

You are the only one standing on the balcony asking questions in the second year.

Not a good exam, so I regret one more.

How many friends are bankers today and how many are teaching.

Some in the West, some in Europe, some in Bengal today.

I am working with the breath of fate and always believe in hilsa science.
