Initial Assessment

It's not a matter of if you're overpaying—it's a matter of how much. Mobilia finds and reclaims what's yours: billing errors, duplicate charges, hidden fees and suboptimal contract terms.

Maximize Savings, Minimize Effort

High ROI with Minimal Time Investment. Streamline vendor management and procurement — Save **20-40%** on your fixed costs — all without changing vendors or spending excessive time.

[How We Help](#)

[Start today](#)

Why Mobilia

Mobilia helps companies identify and recover overspending on indirect expenses, with zero risk and no upfront cost.

Immediate Impact and Our Promise

100% Visibility & Savings from Day 1 — We only get paid from the savings we find.

We don't waste time. Neither yours nor ours.

If you're reading this, we are confident that we can help you save 20-40% with your current vendors.

The Mobilia Advantage

- **Unmatched Benchmarking** — We know what others pay and ensure you get best-in-class rates.
- **Collective Intelligence** — We share strategies derived from thousands of contracts and vendors.
- **Former Vendor Insiders** — Our team knows vendor systems and playbooks.
- **100% Focus** — Cost reduction is our full-time job.

Services

Reduce Fixed Costs — Without changing vendors.

We identify overspending across many recurring categories and recover savings while preserving vendor relationships.

Our Process

A Clear Path to a Healthier Bottom Line

Our process is seamless and requires minimal effort from your team.

15-Minute Assessment Call

1. **Secure Data Share** — Provide vendor contracts and billing data through our secure portal. It's quick, easy, and confidential.
2. **Expert Analysis** — We benchmark your rates against market data to identify every potential saving opportunity.
3. **Shared Savings** — We manage vendor negotiations and share in savings. If you don't save, you don't pay.

Less Than 2 Hours. Total. Your team will spend a maximum of two hours total. We do the deep dive and implementation planning.
