## Services

When you sign on as a BLNK Slate Media client, you get the team, expertise, and branding framework to captivate and grow your audience.

**Your Very Own Dedicated Video Editor**

Ditch the hassle of not knowing who to contact. We set you up with your own dedicated video editor from day one.

**High Volume Video Editing**

Our editing team has the capacity to handle all of your video editing needs, whether that's 10 videos, or 300 videos a month

**Custom Brand Editing**

From captions to time stamps and music, all of your custom brand effects are edited into all of your videos.

## Our Process

Hiring in-house editors is expensive & freelancers can be unreliable. Get your videos professionally edited and branded with our process that saves you time and money.

US	YOU
<p><b>We Save You Time and Money With a Dedicated Video Editor</b></p> <p>Hiring in-house editors is expensive &amp; freelancers can be unreliable. This adds up to hundreds of hours and thousands of dollars. We save you time and money with your own dedicated video editor</p>	<p><b>Choose Your Membership</b></p> <p>Whether you need 10 or 300 videos edited every month, we have the right video editing membership for you. The BLNK Slate team has such good energy to be around! They're young and already accomplishing so much in the digital video space. It was truly an honor to work with them during my time at my last agency. They did some video projects for us and always followed through with awesome content. Anyone looking for help with video creation, Sam and his team do amazing work.
